

JB & LINDA GODFREY

VICE PRESIDENT AND EXECUTIVE DIRECTOR

March – April 2024

For several weeks I limited my travel (not my work) so I could help Linda after her hip replacement surgery. She is doing well and getting around with little problem. In March, I left her for a few days to go preach the missions conference at Granite Baptist Church in Glen Burnie, Maryland. It was a joy to be with my friend Pastor C.K. White and his good people. God gave us a great conference.

At the end of March, we had our annual Action Conference for World Evangelization at BIMI. Pastors from many states attended. Dr. Snyder asked me to speak on our theme for this year: Total Consecration – To Reach Every Nation.

At the beginning of April, I spoke in Branson, Missouri, at the field conference for the USA Church Planters. Talking Rock Road Baptist Church hosted this event. Pastor Dilbert Davis and his people always do a wonderful job of loving on these missionaries. I was able to preach six times. When the conference ended, I drove farther west to Cartage, Missouri, to see BIMI Emeritus Missionaries Ron and Donna Bragg. We love the Braggs. God allowed us to go to language school together and to work with them for all our years in Africa.

It took me two days to drive back home, and then I worked in the office. When I am away, it takes me time to catch up. The third week in April we had our missions conference at Lakewood Baptist Church where we attend when we are in town. Our Faith Promise Commitment increased, and the missionaries were a blessing.

The last full week of April, Linda was able to go with me to the field conference for our Mexico and Central America missionaries. Pastor David Gamble from Shenandoah Baptist Church in Cleveland, Tennessee, and I spoke to this fine group of missionaries. Many of them have served long years on the field.

Continue to pray for us. We have many long miles to go in May.

Sincerely,

J.B. and Linda Godfrey
