

The Moussa's Ministry Update & Prayer Letter March 2024

Dear Friends and Prayer Partners,

What a great joy it is to share with you God's faithfulness and goodness. Thank you for praying and partnering with us. By His grace, and the prayers of our partners, we are enabled to fulfill His calling on our lives and in the ministry.

Christmas, New Year, and 2024: Since we launched our church plant ministry, we have always looked to the New Year event with great expectations. We gather at the church around 8:00 PM on New Year's Eve. We spend the evening reflecting on God's goodness and sharing testimonies of His faithfulness. As time draws near to midnight, the church body spends the last half hour praying to enter the New Year, with many on their knees seeking God's face and blessing for the New Year. During the Christmas program, all children and teens received gifts. It was a joyful time of celebration. It has been wonderful to see how God has been blessing this year. Mike from Lebanon and Emanuel from Syria start attending the church. There is sweet spirit and harmony among the members of the York Arabic Christian church.

Media Ministry: God is opening a wide door of ministries to Joseph and Thana through Media. Joseph continues to have His weekly streaming program on Fridays at 1:00 pm, a prime time for people watching in Europe and the Middle East. In January 2023, Joseph and Thana were asked to host and speak at the ABN Satellite TV using TikTok and other social platforms. It is amazing that sixty to seventy thousand people were watching the Arabic Christian program live through TikTok on social media, and hundreds of thousands were watching through the ABN Satellite worldwide. Pray that God will change these people's lives through the powerful message of the Word.

Ladies' Meetings: April 2024 will mark the fourth year of the online ladies' ministry. It has been a joy to gather every Monday and Wednesday and learn God's Word. They are currently studying Colossians. What a blessing seeing many ladies getting saved and growing in their walk with Christ due to these meetings.

Grace Bible Fellowship of Quakertown: On Sunday, January 21, Joseph was asked to speak at Grace BFC in Quakertown, PA. It was a mission Sunday, and the subject was, "How to do Mission in Hard Places?" Special thanks to Grace BFC of Quakertown and their kind invitation.

Reaching Arabic speaking people in Central Pennsylvania!

Emmaus Arabic Church Plant: On February 4th, Joseph was invited to speak at the new Arabic church plant in Emmaus, PA. Most of the attendees were new seekers. The message was about the prodigal son.

Four people gave their lives to Christ. People stayed even after the meeting to ask questions about salvation. Please keep this new church plant in your prayers.

Texas Arabic Pastors' Conference:

On February 14-17, Joseph and Thana attended the Arabic conference for pastors and their wives in San Antonio, TX. A pastor from Jordan and His wife hosted the conference. It was a good time of learning, connecting, and getting acquainted with Arabic pastors and their wives who are also ministering in the US and Canada.

Prayer request:

*In our June 2023 prayer letter, we shared the story of “Fa.” and his girlfriend “Ha.” “Fa.” was planning to convert to Islam to marry “Ha”. For the last month, “Fa” and “Ha” have been meeting via Zoom with Joseph and Al-Massera leader, Issa, and studying the Christian faith. Please pray that God will lead them to Christ as their personal Savior. *(For safety, please don't share this story out of the church body)*

* We are asking for 100 people to pray for us regularly for the year 2024. Please let us know that we can count on you as prayer partners.

*Pray for our upcoming mission conference at Bethany BFC church in Mount Carmel, PA on March 10.

Partnership: Joseph and Thana will be honored to partner with you. They are praying that God will lead them to mission-minded churches and individuals to join them in reaching the lost for Christ. They will greatly appreciate the opportunity to share their mission work with you!
