Connected Foster Care

Please, play the provided video on your Roku device.

Connected Foster and Adoption Ministry serves to build, strengthen, and restore Arkansas families for God's glory. God is at work and our ministry team needs your help. Along with the need of more Christian homes to welcome kids, we need you in the day-to-day as well. Please pray about offering a night of babysitting for foster parents, or inviting the kids over for a weekend stay, or even a meal train to ease the burden for busy foster families. It takes a village, but it starts with one. One "yes" can begin showing children the life changing hope of Jesus.
