Mission Moment - November 6, 2022 Orphan Sunday

Please, play the provided video on your Roku device.

Every year in November, we recognize Orphan Sunday. This is an international event that helps churches focus on orphan care, foster care, and adoption. This year we will be highlighting the Arkansas Family Alliance. Many of you know Matt and Becca Whitson who grew up in our church. They are the ones who started and run this wonderful ministry in our community. They will have a booth here in Guest Services on November 13th. Please drop by and see what all they are doing! To find out more, go to www.arfamilyalliance.org.

Foster Care Christmas

In conjunction with the Arkansas Family Alliance, we will also be doing again this year Foster Care Christmas. We have been given about 100 kids' names and their Christmas wish lists. We are asking each of you to pick one child out and purchase their wish list, not exceeding \$100. Then, you will wrap the gift and deliver it to the drop-off center or our church!

This is a very simple way to bless a child who certainly doesn't have the same opportunities as other kids. The children we have are with Connected Foster Care, DHS, and the Community Rescue Mission.

We will have more info in Guest Services next week!
