

Mission Moment - December 5, 2021 For The City Week

Please, play the provided video on your Roku device.

For The City Week is a week of blitzing Fort Smith and the River Valley with a bunch of local mission projects. We will use these projects as an opportunity to invite people to our Christmas services.

Be sure and check the signup sheet often as more mission projects will be continually added to it. Sign up for as many as you would like!

Foster Care Christmas

If you took a foster child's Christmas wish list, be sure and purchase your items and get them to Cornerstone Church this week. If you have any questions, email Scott Ward - scott@grandfamily.net.

Lottie Moon Post Office

In Guest Services, beginning this Sunday, you will find the Lottie Moon Post Office. This is a place to give and receive Christmas cards without having to find addresses or pay postage. Be sure and periodically go by and check the post office for your cards.

We hope that for using this post office you will think about giving a little extra to the Lottie Moon Christmas Offering which we will take up on December 19.
