

## Mission Moment - January 8, 2023

### Fuel

*Please, play the provided video on your Roku device.*

Fuel is a 10-week course designed to help you find your purpose in life so that you can live with no regrets. Using innovative adult-learning styles, each Sunday evening experience will add pieces to the puzzle of making an impact for God's kingdom.

Forget lectures! During the week you will enjoy immersive, online learning and come back each week to debrief with the group. The class will be held each Sunday, 6pm-8pm, in Room 110. The cost of the class will be \$50. Get registered today!

### Compassion

Maybe you were not able to sponsor a child during our Compassion Campaign back in October. Well, it is not too late!

We now have our church's very own Compassion International website where you can go a sponsor children from one of our two partner churches in Ethiopia.

This is a great way to engage the nations! You can sponsor a child for only \$38 per month. This small amount really does save a life, and even the family's life. Please, pray about it! Head over to [www.gabc.church/missions](http://www.gabc.church/missions) to find out more.
