

Mission Moment - June 2, 2024

Disaster Relief

Our Disaster Relief chainsaw crews have been called up to work the damage done in Northwest Arkansas. We have two opportunities for you. Monday, June 3 - Don Lehman will be leading a crew up to NWA to work next week. The base of operation will be Elm-dale Baptist Church. We are still working on the details of what time and when this crew will leave and return. It will probably be leaving sometime on Monday morning and returning home sometime on Friday or Saturday. Sunday, June 9 - Scott Ward will be leading a crew to NWA. We will leave sometime Sunday evening and return the next Saturday.

Change for Life

Come by Guest Services and pick up a baby bottle. Throughout the summer, fill it with change as a fundraiser for First Choice Pregnancy Medical Center. The bottles are due back on August 4th.

Lemonade Food Drive

Throughout the month of June we will be doing a food drive for the Helping Hand Ministry. Our Children's Ministry will be setting up a lemonade stand in Guest Services. We want to encourage you to come by and "purchase" an ice-cold cup of lemonade with a food or monetary donation. This is a great way to add some fun to our food drive and to allow our children to see what it means to be a generous and cheerful giver!

CarePortal

CarePortal will allow you to see and meet real needs of children as they are vetted and made available by social workers and school counselors. There is no obligation, but if you have the opportunity to meet a need - you are able to do so. On June 23rd, we will be hosting a free lunch to train everyone in how to use CarePortal. Sign up now on the app or website. You are welcome to bring your children along for the meal.
