Sender's U is a workshop put on by All Nations International, a mission sending agency in Kansas City. They will be hosting this workshop at our church in Room 120 Friday, October 22 6pm-9pm and Saturday, October 23 8:30am-2pm. The cost for the training will be \$20. We will provide dinner on Friday and breakfast and lunch on Saturday.

Senders have a high and lofty calling in Jesus. Paul says in Romans 10:15, "And how will anyone go and tell them without being sent?" Senders are crucial to seeing the Great Commission accomplished.

The problem is that while we have historically placed a great deal of emphasis on Goers, we have rarely recognized, called out, encouraged, or trained the Senders.

Sender's University (Senders U) is designed to explore why Senders are an important part of a team and give ideas on how they can be involved in taking the good news to the last remaining unengaged people groups on earth. What training is needed? How do we promote wholistic health for those on the field? How do we develop a wartime mentality and make strategic decisions in the battle we are waging against a real enemy? How do we pray well?
