

Mission Moment - September 15, 2024

Upcoming Events

For The City: Throughout the month of September our Community Groups are collecting snacks for our different fire stations. See below for more information.

Christmas at Emmanuel: We are collecting Christmas presents for the children at Orphanage Emmanuel in Honduras. For more information, email Emma Pratt - epratt@godfreyblack.com.

Compassion Sunday: On October 6, we will be celebrating our partnership in Ethiopia with Compassion International. We hope that you will consider sponsoring a child that Sunday.

Go Day: October 13 is our annual Go Day where we will have a booth fair of all of our mission partnerships in the gym after the worship service during our Community Group time.

We Love Our Firefighters

Throughout the month of September, we will be doing things to encourage our firefighters throughout the city and surrounding area. Each Community Group will be assigned a different fire station, and we will encourage the group to collect snacks for the first few weeks of September. Then, towards the end of the month, your group can deliver the snacks to the station along with some encouragement cards.
