

Mission Moment - April 3, 2022 Workplace Mission Trip

Please, play the provided video on your Roku device.

For this mission trip, you won't be going anywhere, except where you normally do each day for work. However, the key word here is "intentionality." We are asking that you give us a week of intentionally going into your workplace to pray for those near to you but far from God. We would also ask that you work towards having spiritual conversations with your co-workers. And, don't worry, we are going to train you and support you in this!

Prior to the week, we will have one training session that you will need to attend via Zoom. It will be Thursday, April 7th, at 8pm and last around 1 hour. Then, during the week of April 11-15, we will be having a short Zoom meeting each evening at 8pm to touch base and pray for each other, just like a mission team on the field would do. We will not meet on April 15 since it is Good Friday and many of you are off work that day anyways.

Annie Armstrong Easter Offering

Each year on Easter, we take up the Annie Armstrong Easter Offering. This offering goes to fund our North American Mission Board church planters across America and Canada. Our church's goal this year is \$30,000.

We hope that you will prayerfully consider what you will give this year. You can give by using an Annie envelope found in Guest Services with cash or a check. Or, you can give online by clicking the link and designating your gift to the Annie Armstrong Easter Offering.
