Mission House

Please, play the provided video on your Roku device.

Many of you might not know that we have two mission houses. These are houses that the church owns, and we let our missionaries and church planters stay in them when they need a home away from home. These are fully furnished, and we take care of all the utilities in order to be a blessing to those who have sacrificed so much for the cause of Christ. Our big house has been lived in by many different folks over the years and has been in need of a remodel. Well, thanks to our church, a couple of generous donors, and the hard work of Don Lehman we are almost complete with the renovations. We are going to be asking you soon to provide items that we need from a registry, and we will hold an open house at some point!

Brazil Mission Trip

Our High School Ministry is still in Brazil! Be praying for them as well. They will be heading home on the 25th.

Change For Life

We are still collecting change for First Choice Pregnancy Medical Center. It is not too late to grab a baby bottle to fill with change, cash, or checks. These are due back in by August 6th.
