Return your bottle: **August 6, 2023**

## Mission Moment - June 4, 2023 Change For Life

*Please, play the provided video on your Roku device.*

Change For Life is our annual summer fundraiser that we do for 1st Choice Pregnancy Medical Center ([www.1stchoicefortsmith.com](http://www.1stchoicefortsmith.com)).

All you have to do is come by the Mission Area in Guest Services, grab a baby bottle, fill the baby bottle with change, and bring it back by August 6th. Super easy!!!

1st Choice is an organization that has its home right down the street from our church, and we have done many things over the years to support them. They provide an incredible Christian service in our area by offering free healthcare to women who are pregnant. When a woman who is pregnant comes in, they might be thinking about abortion. 1st Choice provides them with other, better alternatives. They even share the gospel with them, and each year they see many young ladies come to faith in Christ.
