

Mission Moment - May 7, 2023 Go Clip - Middle East

Please, play the provided video on your Roku device.

Join us virtually with our partner in the Middle East. Names have been withheld for security reasons. If you want to know who this is and where, please email our Mission Pastor, Scott Ward.

WHAT IS A GO CLIP?

A Go Clip is a one-hour virtual meeting with one of our partners where we get to hear about their work, ask questions, and pray for them. For security reasons you will need to sign up for each individual Go Clip. On the day of the Go Clip you will be sent a link for the virtual meeting. Be sure and show your face on the video as this is a huge encouragement for our partners to get to see their supporters!

Shoes for Foster Kids

May is National Foster Care Awareness Month. Currently, there are over 400 children in foster care in Sebastian County alone. From now until May 12, 2023, Arkansas Family Alliance will collect new and gently worn shoes to be donated to children in need in our area. We will be collecting shoes in Guest Services or our office. You are welcome to bring them any time. The sizes or types of shoes do not matter.
