Walk 4 Life/5K - First Choice Pregnancy Medical Center

Please, play the provided video on your Roku device.

What better way to celebrate the day before Easter than to participate in the Walk 4 Life or run their 5K race?! This is an annual fundraiser for 1st Choice Pregnancy Medical Center which will be held at the tornado shelter at Ben Geren Park. Registration is at 8:30am, and the start is at 9am.

We need folks to both participate in the event and to volunteer for the event. To participate, go to www.1stchoice-fortsmith.com and click on "Get Involved." To volunteer, go to the missions calendar on the church website or app and sign up on the For The City Week event.

Go Clip - Vietnam

Join us virtually with our partner in Ho Chi Minh City, Vietnam, Michael & Deborah Hughes. You will get to hear all about our global worker's ministry there with college students.

WHAT IS A GO CLIP?

A Go Clip is a one-hour virtual meeting with one of our partners where we get to hear about their work, ask questions, and pray for them. For security reasons you will need to sign up for each individual Go Clip. On the day of the Go Clip you will be sent a link for the virtual meeting. Be sure and show your face on the video as this is a huge encouragement for our partners to get to see their supporters!
