We have made it back from our Vietnam mission trip. It is a very long trip to get there and get back! Once we are there, the people are worth it!

We were able to do a lot of different ministry while we were there. We were able to work at an orphanage and a seminary. We got to work with undocumented children on the Cambodian border. And, we even taught English and shared the gospel to a bunch of high school students.

As many of you know, our medical permit was denied right before we were leaving. This had us scrambling to get things scheduled. Thanks to a great Vietnamese friend in Pastor Ngoc Ha and our IMB missionaries, Michael & Deborah Hughes, we were able to have a very productive trip.

Thank you so much for praying for us!
