River Valley Christian Life Corps is a faith-based nonprofit that places mentors with young men and women for a year through a Christian discipleship program.

On September 23, RVCLC will be starting a special Life Skills Program that teaches basic life and job skills to interested individuals. If you know of someone who could benefit from this class or you are interested in helping to teach this curriculum, contact scott@grandfamily.net.

Rythm of Change

We are excited to announce that this year's fundraiser will be held at the brand new US Marshal's Museum! I think many of you will want to join us to see this beautiful facility. The fundraiser will be held on October 7th 6pm-8pm. Tickets are only \$10 per person with 100% of the proceeds going to fund our ministry. You will soon be able to purchase tickets online, in person at our office, or just find one of our volunteers or board members.

Holiday Foto Fair

This is our third annual Holiday Foto Fair where you can get all of your holiday photographs done in a quick 30 minutes! You will soon be able to sign up for a 30-minute time slot for \$50. The price includes a photographer, an assistant, and multiple backdrops for you to choose from, including an old-fashioned truck. At the end of your session, you will receive a usb flash drive with all of your digital pictures. This fundraiser will be on October 16th. Time slots will be available throughout the day.
