

Mission Moment - September 3, 2023 September Mission News

SIGN UP TODAY - Say Something Evangelism Training - September 3

Say Something Training will be held in Room 110, 6pm-7:30pm. During this class you will learn about starting spiritual conversations, telling your testimony, sharing the gospel, and starting the discipleship process with those near to you but far from God. Our goal is to help you survey your existing relationships where you live, work, and play. Get signed up today!

Mission House Registry

As many of you know, Don Lehman has worked very hard to remodel our mission house. This is a home that we provide missionaries to stay in while they are in the US for a short time. With this remodel, we are needing to fill the home with some new items. Don and Cheryl have created a gift registry at both Target and Amazon.

Christmas for Emmanuel

We are collecting bars of soap, shampoo, toothpaste, and toothbrushes for the children at Orphanage Emmanuel in Honduras. You are welcome to purchase any brand and bring them by the Missions Area in Guest Services. Also, if you are buying gifts for your sponsored child, you are welcome to drop these gifts off at the Missions Area in Guest Services as well.

Fort Smith Marathon

We are excited to get to host a water stop for the Fort Smith Marathon on Sunday, September 24. The route of the half marathon and the full marathon both run right by our church. As a matter of fact, we are the last water stop before the end of the race at UAFS. I am needing folks to sign up for a 2-hour time slot to help pass out water, Gatorade, and snacks and cheer the runners on to the finish!
