Mission Moment - January 28, 2024 We Love Our Healthcare Providers

Throughout the month of February we are asking you to intentionally reach out to your healthcare providers, such as your doctor, your dentist, your physical therapist, a nurse's station, etc. Take them a couple of boxes of donuts or a plate of cookies, and just let them know that you and our church cares. You are welcome to come by Guest Services in the missions area and pick up a handful of information cards. You can set some next to your goodie that you bring and use it to invite people to church.

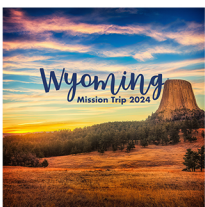

Warehouse February

The warehouse volunteers at Community Rescue Mission are being given the month of February off, and our church, along with other churches in the community, are going to provide volunteers to help. Throughout the month, we will need 3-4 volunteers every Tuesday and Thursday 9am-12pm. Your job will be to simply process all of the donations that come in.

Go Clips - Vietnam

Beginning Tuesday evening, February 13th we will start a new season of Go Clips with our partnership in Vietnam. You can sign up for them right now on our website or app. *What is a Go Clip?* A Go Clip is a one-hour, live, online time with one of our mission partnerships. You will be able to hear about what God is doing in the life and ministry of our partners, ask questions, and know how to pray for them.
