### Connected Foster Care

*Please, play the provided video on your Roku device.*

Connected Foster Care is brought to you by the Arkansas Baptist State Convention and the Arkansas Baptist Children's Home. The State of Arkansas recognized the huge need for foster care in Sebastian County, and so they have allowed our Southern Baptist State Convention to provide organization and social workers to specifically work with our Southern Baptist churches to try and be a solution to the lack of foster care homes in our area.

We hope that you will take some time and educate yourself on the foster system in our area. We definitely need homes willing to open up and provide care for children, but there are also so many other ways that you can serve from respite care to providing meals to financial support.

Connected Foster Care has their office in our Helping Hand Ministry Center across the street. If you have any questions, you can always go there to talk or you can email Tracy at [tfisher@arkansasfamilies.org](mailto:tfisher@arkansasfamilies.org).
