

Mission Moment - August 18, 2024 CarePortal Training Lunch

We will be hosting a free lunch after Community Groups in Room 120 on Sunday, August 25th to anyone interested in hearing more about the CarePortal. Matt Whitson from the Arkansas Family Alliance will be with us to do the training. It will be no more than one hour of your time, plus some good pizza! There is no obligation.

Our church is excited to partner with Arkansas Family Alliance and the CarePortal. CarePortal creates a platform to connect churches and child welfare agencies to address the needs of hurting children and families. This technology uses a geographically-based email system that strategically addresses all areas of child welfare. These areas include helping prevent families from entering state care, foster care, adoption, and kids aging out of the system.

Back-To-School Helping Hand Clothes Drive

Our Helping Hand Ministry always gets inundated this time of year with a need for children's clothing as they head back to school. Will you consider donating some gently used hand-me-downs? Or, you can run and get some cheap kid's clothes at a department store and bring them to the Missions Area in Guest Services or the church office.
