SERMON NOTES

1/1/2023

God Worshipped... I'd rather go where You send me, than ask You to follow me.

Blessed if we stay; blessed if we go. Neh. 1:9 – I will gather the scattered to a place I have chosen for My name to be honored.

Faith Lived... When we are connected to Him, we're empowered to live out transformed lives.

2 Peter 1:3

NLT Col. 1:21-22

Faith lived is living out what **HE** says we are rather than believing what the **world** tells us. The fight of faith is not **fighting** for our victory; it's **standing** in our victory.

Lives Changed... 2 Peter 1:5-9

Change in one can change a family, a community, a city, and a nation.
