

MARK

THE SURPRISING
KINGDOM

Fulfill the call to rescue the world by trusting in who Jesus is, His sending of you, and His defeat of the enemy.

Rescuing through His Identity (Mark 3:7-12)

The enemy knows who Jesus is and are subject to His demands.

We must not sugarcoat the gospel message but proclaim Jesus as He is.

How can you proclaim Jesus as He is to those around you?

Rescuing through His people (Mark 3:13-19)

Being a disciple of Jesus means being with Jesus and being sent by Jesus.

Jesus brings us in to His Kingdom not just so we can keep it to ourselves, but so that we can share it with the world around us.

How will you heed the call of Jesus and be different from the world around you?

Rescuing through utterly defeating the enemy (Mark 3:20-35)

Jesus defeated the enemy through His death and resurrection, defeating the power of sin.

We plunder the enemy's house by proclaiming the death and resurrection of Jesus.

How have you let the enemy defeat you and keep you from accomplishing the mission Jesus laid out before you?

Fulfill the call to rescue the world by trusting in who Jesus is, His sending of you, and His defeat of the enemy.
