

SBSG – Sermon Series – Chemical Reaction: Share Jesus

The Purpose of a Sermon Based Small Group (to be read at the beginning of each gathering)

The purpose of our small group is to actively pursue Christ through relationships, as we worship, serve, and belong together.

READ ALOUD BY ALL (allow this prayer to shape your time together)

Dear God, help me in this dialogue to be humble & suspend judgment. I recognize that we are all created in your image. Give me courage to stay curious about each other by asking questions. Thank you, God, for this opportunity to meet together and in so doing grow closer to you. AMEN

Sermon Series: Chemical Reaction

Opening question: Tell a story when you put more energy into something than anyone else in the room?

Sermon Synopsis: We tend to make room for the things we value in life- whether that's time, energy, or money. Giving is just as much about motivation as it is resources. We don't give out of guilt or obligation. Giving not only reduces the power of greed in our life, it releases God's blessings to others.

Bible Reading

Reading the Bible is about reading for practice and spiritual formation – spiritual formation, in which the reader seeks to be formed by the Spirit of God.

Passage(s) from the sermon: 2 Corinthians 9:1-12 (NRSV)

What questions do you have about the passages/sermon?

What do you feel God is saying to you through this passage?

Discipleship Point: You can't multiply 0.

Why is it so hard to talk about finances and generosity?
