

**(1) v10-12: The result of relying on works of the law**

**(2) v13-14: The result of relying on Christ’s work for us**

**Read 3:10-14**

1. What does Paul mean by “all who rely on works of the law”?
2. How would you explain to an unbeliever that “no one is justified before God by the law”?
3. Why is the law “not of faith”?
4. In your own words and experience, what does it mean to live by faith?
5. In what ways can we ensure that our actions are motivated by faith rather than legalism?
6. If Christ bore our sin and God’s curse (judgment, wrath and penalty) for our sin, what does this mean for those of us united to Christ by faith (Read Rom. 8:1, 31-39)?
7. Jesus became a curse for us and has given us His Spirit. What significance does this have for how you relate to God?

*Pray for one another and our church family as you close your time together.*
