

**Sermon Passage: John 1:5-2:2**  
**Sermon Title: "Walking in the Light"**

***Love God. Love People. Make Disciples.***

### **Call to Worship**

*Ps. 36:7-9: "How precious is your steadfast love, O God! The children of mankind take refuge in the shadow of your wings. They feast on the abundance of your house, and you give them drink from the river of your delights. For with you is the fountain of life; in your light do we see light."*

### **Pray**

*"Father, thank You for sending your Son, the Light of the World, to us. Thank you for sending your Son, the Light of the World, to save us as your own. Help us to walk in light as you are in the light."*

---

**Read: 1 John 1:5 – 2:2**

### **Questions for Discussion:**

1. What does John mean God is light (see Gen. 1:3-4; Jam. 1:17; Isa. 42:6-7; Jn. 8:12; Rev. 21:22-24)?
2. How should this truth impact our daily lives?
3. What 3 ways of thinking does John expose that reveal we don't have fellowship with God?
4. What are the marks of having genuine fellowship with God?
5. Why do people often fear being fully known, and how does the gospel address that fear?
6. Why is confession of sin essential for walking in the light?
7. What practical steps can we take to ensure we are walking in the light rather than retreating into darkness?

### **Pray**

*"Father, thank You that you have made a way for us to walk in the light. Keep us humble, repentant, and joyful. In Jesus' name, amen."*

**Challenge:** Meet someone in your CG 1 on 1 this week to ask how you can help them better walk in the light.
