

Ezek 1:10

Rev 4:7

Ezek 10:14

Man	Man	Man
Lion	Lion	Lion
Ox	Calf – a young ox or bull. Same word	Cherub that had a face <i>resembling</i> an ox
Eagle	Eagle	Eagle
“likeness of”	“was like”	“was the face of”

There are no contradictions at all between the three passages, it is simply that some verses lend more shades of meaning to the others, such as a young ox in Revelation 4; or that a cherub’s face can resemble an ox.
