Comfort TO Calling

REVELATION • FORMATION • ACTIVATION

Activation is not graduation.

Activation is repeated
present-tense obedience.

What did you hear that you don't want to forget?

Comfort TO Calling

REVELATION • FORMATION • ACTIVATION

WHAT CARRIES THE GREATEST WEIGHT?

Before we look at what your choices reveal, name what you believe you're being pulled between.

COMFORT

What do my choices reveal?

WHAT COMFORTS DO
I REACH FOR?

WHAT AM I TRYING
TO PRESERVE?

WHAT FEELS HARDEST
TO GIVE UP?

CALLING

What do my choices reveal?

WHAT DO I KNOW
I'M BEING CALLED TO?

WHAT HAVE I DELAYED?

WHAT KEEPS SURFACING
THAT I CAN'T IGNORE?

If these two came into conflict today,
WHICH ONE WOULD WIN?

WHAT DOES YOUR LIFE REVEAL?

Activation reveals whether what we believe is carrying enough weight to change what we do.

I believe...

but I...

I believe...

but I...

I believe...

but I...

I believe...

but I...

I believe...

but I...

LOOK AT WHAT YOU WROTE.

Where is there a gap between what you say you believe and the way you're actually living?

What does that gap reveal about what is currently carrying the greatest weight?

REVELATION • FORMATION • ACTIVATION

WEIGH THE EVIDENCE.

Go back to what you wrote on page 4.

Now look at what your choices revealed on page 5.

WHAT ACTUALLY CARRIES THE GREATEST WEIGHT?

Look at the revelations on the previous page. Sort them below based on what they reveal about you.

COMFORT

What do my choices reveal?

CALLING

What do my choices reveal?

**THE SCALE DOESN'T MEASURE WHAT YOU SAY MATTERS.
IT REVEALS WHAT CARRIES THE GREATEST WEIGHT.**

What needs to change for my calling to carry more weight than my comfort?

PART TWO • NOTES

What did you hear that you don't want to forget?

COMFORT AND
CALLING CAN
COEXIST...
until they disagree.
