

Life Verse (Week 3)

Will Westrupp – 1 November 2020

Discussion and Questions:

1. Will spoke about his calling. Do you know what God is calling you to right now?
2. If you know what you're being called into, is it something that fills you with excitement, or do you feel ill-equipped, so you're really going to have to trust Him?
3. Jesus is the same yesterday, today, and forever. This means that He can meet your need, whatever it is, and however small or large it may seem. What need of yours do you need to lay at the foot of the cross today?
4. When Will was speaking about the stool in the circle, and where you are and Jesus is in relation to the stool and the circle, it reminded me of an old song called "Jesus Take The Wheel". Look at the below picture:

Is there an area of your life where you're afraid to give Jesus control, out of fear that he might take the wrong wheel, and your life will go crashing out of (your) control? Could this be preventing you from fulfilling your calling?

5. Take the time to pray for one another today, that each of us will take courage to step out where Jesus wants us to be.
