

Stuck in a Rut (Week 2)

Discussion and Questions:

1. Read Acts 3:1-10 together. Is there something that stands out to you from the story?
2. Peter and John made a good partnership, ready to serve God and others at any opportunity. Do you have a partner when it comes to helping in ministry? Have you ever benefitted from people supporting you in a time of need?
3. The lame man made sure he was in a position to be noticed by passers by. Where we “position” ourselves can at times be a big barrier to getting out of a rut. Remaining in unhelpful relationships or continuing to make bad use of time to name two. Can you think of others?
4. Serving costs. Look up 1 John 3:16-18. Verse 16 reminds us of the ultimate price Jesus paid to make a right relationship with him possible. What has been your response to this?
5. Verses 17 and 18 talk about showing our love for God through providing for others. Give examples of other ways serving can cost us.
6. In verse 11, we read that the man used Peter and John to prop himself up. Is there something in your life you consider a prop that you’d like to relinquish? What changes could you make to increase your dependence on God instead?
