

# The Art of Friending (Week 1)

**Clint Craig**

5 February 2017

## **Discussion and Questions:**

1. Anyone memorised Proverbs 13:20 yet?
2. Have you ever been in trouble because of the company you kept? Did you make any changes as a result? Share your story with the group.
3. So, who are your “they”? Collate a list now of 5 people you consider yourself close to. How long have you known each other? What has caused the relationship to stick?
4. If you become the average of these 5 closest people, what does that look like for you?
5. What is the warning or promise contained in the statement “your friendships determine the quality and direction of your life”? Has doing a “friendventory” caused you to want to make some adjustments?
