

Vision Sunday

Discussion and Questions:

1. Take a moment to comment on Vision Sunday, if you were there. What do you think of where LifeSwitch is headed in the next 5 years? What areas appeal to you the most and why?
2. The first of the 5 areas of church life to concentrate on is DISCIPLESHIP. (Did you have a go on the app?) Share some of your discipleship experiences with the group. Who helped you on your journey. Who have you helped on theirs?
3. The second area is that of our COMMUNITY. Jesus set a great example of making an effort to be inclusive with the woman at the well in John 4, Zaccheus in Luke 19 and the woman caught in adultery in John 8. Can you think of others? What can we learn from these stories?
4. PRAYER is the third area. Don't forget to thank those that you know who go to extra effort to pray for and with LifeSwitch. How can we all contribute to making prayer more visible?
5. Next is the area of intentional LEADERSHIP DEVELOPMENT. The easiest place to see this happen is in Camp Survivor. LIFEgroups is another place where people have the opportunity to be part of leading something; the discussions, prayer times, social events etc. How can you be more involved in making church or LIFEgroup better through leadership?
6. Finally we have STORIES. Never hold back on sharing of God's goodness in your life. Tell Clint. Tell your LIFEgroup. Tell someone! Begin now. Finish with an encouraging story of recent growth, no matter how small. God is good. All the time.

PRAY for LifeSwitch and it's future together in unity now. The Lord hears our prayers.
