

All About Him (Week 1)

Ethan Fairbrother

12 March 2017

Discussion and Questions:

1. Are you a beach person or a river person? Share a cool memory.
2. How does the story of how God created man from dust and breathed life into us sit with you? (Genesis 2:7) Does it impact your life at all?
3. Ethan said there is no higher calling in this world than to use the breath that God put into us and find a way to give it back to God. What do you think this means? Is it the same for everybody? Why or why not?
4. Why don't people find it easy to feel like we are God's prized creation? (Genesis 1:31) What happened to spoil things? (Genesis 3 has some helpful information)
5. Look up Colossians 1:15-20 together. Pretty big stuff! The "him" is Jesus. The passage mentions lots of intangible, invisible things, not just the physical world. Make a quick list of them. What does this tell you about who Jesus actually is and the power he has to make our lives worthwhile?
6. What does God offer people whose lives feel mundane or lacking fulfilment? How can they experience these things?

Thank God together in prayer for the lengths He went to so we would know we have value and can live a meaningful life.
