

# Special Guest Sunday (Week 3)

## Logan Craig – 8 July 2018

### Discussion and Questions:

1. Anyone here into camping? Share one of your best stories.
2. Skim Joshua 3. Look for the promises God made to the people. What is the difference between recalling the promises of God and standing on them?
3. Now make a list of some of the promises God has made to His followers for today. (See John 14:1-3, Hebrews 13:5 and 1 Thessalonians 4:16-18 for a few) How do they encourage you?
4. Fear, doubt, worry, unforgiveness, anxiety and discouragement can be experienced by any one of us at any time. Discuss to what degree you think we can do something about them and what need to let God do.
5. Logan said “it is my decision how long I choose to stay camping for”. What did he mean by that?
6. Finally, it was moving day for the Israelites. Eventually, ours must come too. Share your prayer needs with each other now around something you know the Lord would have you “break camp and cross the river” for.
