

CORE 4 (Week 4)

Clint Craig – 9 September 2018

Discussion and Questions:

1. For those of us that have been in a church for a while, think back to some of the areas you have served in over the years. Which ones have been the most satisfying and why?
2. Read Ephesians 2:10 and 4:11-12 together. 2:10 is broad and 4:11-12 is more specific. Who is to be built up through us playing our part? In what ways does the body of Christ benefit from you? Or how have you benefited from being a part of it?
3. There are lots of options when it comes to us playing our part, but not all of them are in our church. Things like the Bible Society, Habitat for Humanity or World Vision etc. They are called Para-church organisations.(Feel free to think of others.) Is it ok for someone to put all their gifts, time and money into these to the exclusion of the church? Why or why not?
4. Have you ever done a gifting test? What do you have and how do you enjoy using them? (P.S. - there is a link below in case anyone wants to have a go at an assessment)
5. Clint said potted people are independent; planted people are inter-dependent. What did he mean by this. Did you find the pot plant illustration helpful?
6. A good thing to remember to help us stay on track with the part we play is the difference between going to church and being the church. Discuss Galatians 6:9-10. What is the warning in there and how can we apply it?
