

# Easter

## Clint, Ann and Judith

16 April 2017

### Discussion and Questions:

Begin by sharing your favourite part about Sunday.

1. Why do you think God gave Adam and Eve the command not to eat from the tree of the knowledge of good and evil? Why could He not have left that tree out of the garden altogether, or some other option?
2. Leviticus 17:11 and 14 tells us the “life is in the blood”. How does this link up to God’s use of blood as a payment for sin?
3. What is the most meaningful part of the story of the crucifixion to you and why?
4. Does communion hold special significance for you as a Christian or is it just something we do? Explain your answer.
5. What difference (if any) does the resurrection make to your faith?
6. How can you be sure that as Christians, we too shall be raised to life, to live with God forever? On what do you base your answer?

Close with prayers of thanksgiving for the meaning of Easter and ask God to help you let it make a difference to the way you live.
