

# The Journey (Week 6)

**Clint Craig**

20 August 2017

## Discussion and Questions:

1. Read Matthew 10:16-31 together. It is packed full of warnings Jesus gave to the disciples. What stands out to you and why?
2. Look at verse 28. What do you believe about Hell? Who is there and why? On what do you base your answer? Hebrews 10:31, Isaiah 8:13 and Revelation 14:10 may be helpful.
3. Three aspects to a big faith are: Big faith honours God. Are there parts of your life that honour God? If not, why not?
4. Big faith inspires people. Do you have someone that inspires you? In what ways?
5. Big faith allows you to love the unlovable. Who loves you and how do you know? What do you do for them in return?
6. Clint said it was Jesus' resurrection that changed everything and the disciples went from fear to faith. They matured from hiding and holding back to bold preaching and selfless ministry. Do you believe that grasping the full meaning of the resurrection can make a difference to your life? Include prayer now as you discuss this.
