

# Special Guest Sunday (Week 4)

## Clint Craig - 15 July 2018

### Discussion and Questions:

1. Ali was able to share from the stage that he gets a lot of joy when he serves. Does anyone here have a story of their time serving somewhere? Was it joyful or was it something else?
2. Read together 1 Corinthians 12:12-26. What is the main point Paul was trying to make in this passage? Why do you think it was necessary that he make it?
3. Now look at verse 27. Does the “you” in this verse apply to everybody? Why or why not? What makes people being a part of the Body of Christ possible?
4. What are some common push-backs people have when it comes to joining a team and playing their part? What needs to happen in order to overcome them?
5. Clint said asking someone to get involved is not because he wants something from them but something for them. Read Colossians 3:24-25. Discuss what this “inheritance” is and what it means to you.
6. Is there a place this LIFEgroup could offer it’s time and skills? Perhaps to encourage someone, serve someone in need or support someone in a tough patch? Come up with a plan now to do so.
