

CORE 4 (Week 3)

Clint Craig – 2 September 2018

Discussion and Questions:

1. Has anyone here signed up for Core Four yet? Why or why not? How can you see Right Now Media helping?
2. Clint said our relationship with God is personal but it is not to be private. What did he mean by that and how true is this of you?
3. Story time. Read Hebrews 10:23-25 together. Thinking about the term “unswervingly”, share with the group a time when you chose to swerve to the right or to the left in your Christian walk. (It’s ok not to go into lots of detail.) How important was having someone to spur you on to the good and right things now you look back?
4. The practice of meeting up regularly forms the basis of empowerment to live an unswerving faith. Discuss why you think God has emphasised this. What are some things you do to not let this habit slip?
5. Look up John 13:34-35, 15:13 and Galatians 5:6. A defining characteristic of our faith is how we show our love for one another. Honestly rate yourself at how well you think you do this. What should be our motive for “laying down our lives” and how could it help us to stay focused?
6. What can we do as a group to “up our game” with loving one another? Open up with a need or share a prayer request now, as we are all here for this very purpose.
