

Real Family (Week 5)

Clint Craig

28 May 2017

Discussion and Questions:

1. What is an encouraging thing one of your parents said to you that you have never forgotten?
2. Why do we all love the fact God doesn't count our sins against us, yet we find it so easy to count the sins of others against them?
3. What do you think Paul meant when he said we have been given the ministry of reconciliation? (2 Cor 5:18-19)
4. Clint said in relation to families a big lie we tell ourselves is that 'I don't care.' Have you ever found yourself saying that about a family member?

PRAY - for those in the group who need to take a step to bring reconciliation to a relationship with a family member.
