

Swim Between the Flags

Discussion and Questions:

1. You obviously like being in a group because you are all here now. Well done! What do you enjoy about your group? What could be improved upon in 2018?
2. Read Hebrews 3:12 - 14 together. The first phrase implies responsible action (a command, even?). Discuss what "See to it..." might involve. Is it lots of self control and hard work, or is it something else?
3. Why do you think we are all vulnerable to our "heart turning away", no matter how long we have been in the game? What are some reasons people drift and/or hide from others?
4. Verse 14 says we are to encourage one another daily, which says a lot about the role discouragement plays in people's spiritual growth. Has someone here ever received timely encouragement from another person? What did it mean to you to know someone cared enough to do so?
5. Look up Hebrews 10:24-25. We are again exhorted to stick together and be an encouragement. God clearly designed us to help meet each others needs through community. Can you think of any "love and good deeds" you could do together as a group?
6. Clint said "the drift begins within, so let someone in." What do you need encouragement for today? Share with the group and spend some time in prayer. The Lord is waiting to answer with mercy and love.
