

Life Verse

Clint Craig – 18 October 2020

Discussion and Questions:

1. What has been a verse that has meant something special to you in your life? Read your verse/or a few verses/or a bible story with your group and discuss what it has meant to you, how it has helped you.
2. Clint shared his life verse, Rom 12:1. What do you think it means to “offer your body as a living sacrifice”? How does that practically look for you?
3. Read Luke 24: 28-32 (start at v13 if you want the whole story). How did the two people expect they should respond when God’s word is opened (v32)? What are some keys if we are to respond to God’s word like this?
4. What have been some of the keys to how you have learnt to read God’s word and apply it directly to your life?
5. Pray for one another - that God’s word would be central to our lives, that it would come alive to us, that our hearts would burn when we read it and it becomes not just a book but a guide to know Jesus more and how He wants us to live today - a life of living sacrifice as worship to Him.
