

# All About Him (Week 2)

## Thomas, Judith, Jenni, Ann

19 March 2017

### Discussion and Questions:

1. Which speaker impacted you the most and why?
2. Thomas read from Exodus 3 and 4 where God asked Moses to lead the Israelites out of Egypt, but Moses was scared to obey. He thought of his own shortcomings. (See 4:10) It is a common response still today. What are some “I am’s” you could put on yourself? How does God’s reply to Moses help us?
3. Look up Philippians 4:13. Discuss what “...through Christ...” would look like when a person chooses to do what is being asked of them as opposed to charging in under their own steam. How can we know we are relying on the strength supplied by Christ and not our own?
4. Judith quoted the most common verse in the bible, John 3:16. It leaves us in no doubt that we are loved by God. Then she encouraged us to rediscover our ‘why’ when it comes to living a fulfilled life. What other verses can you think of that form the basis of our ‘why’ of serving.
5. Jenni admitted the root of her struggle with watching her dear mum suffer was resentment toward God. But she found comfort in Psalm 86. What role does God’s word play in your life? Has it ever helped you to overcome a major issue? Share your story with the group.
6. God was able to convince Ann through the gospel that the Christian faith is not about striving or keeping up with others. What is the difference between being good and becoming more like Jesus? Why should we care? Are you a beach person or a river person? Share a cool memory.
