

Real Family (Week 2)

Clint Craig

7 May 2017

Discussion and Questions:

1. Read Ephesians 5:21 - 6:4 together. What stands out to you from this passage?
2. Verse 21 says our mutual submission is to be based on the reverence we have for Christ. Does this apply to everybody or just those who know they are a Christian? On what do you base your answer?
3. What do you think reverence looks like in a person's behaviour? Which areas of your life could do with an increase in reverence?
4. Share with the group your experience when you asked the question "what can I do to help?".
5. Clint said "when you want to ask 'what can I do to help' the least, that is when you need to ask it the most". What is behind people's unwillingness to submit and what can be done about it?
6. The question applies to all sorts of relationships, not just those living under our roof. How can we work this attitude into our everyday lives and not just as a little project for now?

Finish by asking God to help you grasp and apply the concept of mutual submission better.
