## Jeremy Suisted

18 June 2017

### Discussion and Questions:

1. Can you relate to the experience of being ignored? How did it make you feel?
2. Read the story of the man born blind in John 9. What stands out to you most?
3. Verse 1 says Jesus saw the blind man. What does the idea that God sees you mean to you and why?
4. The Pharisees questions were about getting to the theology of the matter. But they asked with self-protecting motives. Is understanding the theology behind a situation always a wasted exercise? On what do you base your answer?
5. Jeremy said “if you’re not a preacher, you are still able to preach”. There is power in sharing about God with another. What was one of the most impacting messages you have ever heard and what effect did it have?
6. Three people groups that are easily ignored could be the elderly, those with mental illness or disability and foreigners. Perhaps you can think of others. As a way of living out your faith, what could you begin to do to turn that around?
