

# **OPEN & SHUT: Open Your Heart (Week 3)**

## **Clint Craig – 2 December 2018**

### **Discussion and Questions:**

1. Read Malachi 3:10-12. In this passage God speaks about a promise he made to the Israelites to bless them if they return to Him and prioritise Him.  
What is the relevance of this promise to us in NZ today?
2. How will working with a spending plan help you align the way you spend your money with your personal priorities?
3. Why does it make sense to choose to live off a percentage of your income?
4. Does it matter what percentages you choose to give, save, and live on?  
Have you heard any helpful suggestions from financial experts?  
Does the Bible offer any suggestions?
5. What challenges might prevent you from setting apart a portion of your income and practicing 'give, save, live on the rest'?
