

The Pursuit (Week 2)

Clint Craig

2 April 2017

Discussion and Questions:

1. Who can share an example of a time you were utterly helpless. What form did the rescue take and how did you repay your rescuer?
2. Clint said one of the greatest ways for people to see Jesus is for them to see a change in a person's life, from who they used to be to who they are becoming. Do you know somebody like this? Or perhaps you can tell of some key changes you have already made as result of knowing Christ.
3. Read Romans 5:1-2, 6-11 (Clint used the New Living Translation). Vs 1 says we are made right (justified) by faith. Verse 9 says it is the blood of Christ that made us right. What other passages could be used to explain this situation? Galatians 2:20 is one possibility.
4. We all seem to be able to sin without anyone ever showing us. Discuss where sin comes from and why we need to be the one to make changes rather than dreaming of living in a world where everyone else is holy.
5. How do you think appreciating the price God paid for you could increase your desire for holiness?
6. Spend a moment considering a sin (bad habit?) that you are still "comfortable" with in your life. Perhaps share as much as you are ok to and join in praying for each other as together you commit to a fresh path of holiness.
