

Switch it Up Sunday

Will, Naomi & Amos – 17 November 2019

Discussion and Questions:

1. In the words of Meri Ngaroto "the most important thing in this world is the people". Why are people more important than anything else? How do you make people important in your world?
2. Read Psalm 24:1 and John 3:16-17. Why are people so important to God? How does Jesus advocate for us?
3. Naomi talked about God healing her and miraculously providing surgery. Do you have a personal testimony of healing big or small that you could share?
4. Amos talked about trusting in God no matter what. He shared three stories where he had no choice but to trust God. What do you need to trust God with right now? How can you put this into action?
5. Read Hebrews 11:1-12. What do all these people in the bible have in common? How can we increase our faith?
6. Pray for each other for healing or getting through tough times. Pray also that we can increase our faith - a faith that shows the reality of what we hope for and is the evidence of things we cannot see!
