

Perspective

Even the mountains look different when you capture their beauty from another angle.

When you get a word from the Lord, take it for face value.

Listen for the instructions: He means just what He says.

The task may seem impossible, but if He has brought you to a situation, I promise you God has all the power and ability to bring you through with decisive victory.

Just as He gave Caleb confidence in his skill and strength to conquer and take the city, your perspective about what you face can (and will) determine how quickly you possess that which God has promised you.

You have to know that God is with you, that He is victory and because He said it, you will prosper in your way.

Harness the spirit of Caleb and claim the city for the Lion and the Lamb! Change your perspective and see things from God's heavenly point of view.

The Spirit of the Lord is upon you; dominate and conquer in the name of Jesus.
