Small group & fellowship life

Ephesians 4:32

Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you.

Prayer: Forgive one another

Dear merciful and loving Lord, thank you for treating me with kindness. Please grant me patience and a heart of forgiveness that can only come from You. Help me to not just forgive others externally while holding grudges internally, but rather learn to truly forgive without any prejudice. I pray that my brothers and sisters can share true harmony, being able to love one another honestly. Amen.
