## Small group & fellowship life

Romans 15:7

Accept one another, then, just as Christ accepted you, in order to bring praise to God.

### **Prayer: Accept one another**

Lord Jesus who killed enmity on the cross, thank you for bearing my sins and giving your life so that our relationship could be restored. May my brothers and sisters learn to accept one other not based on how loveable I think they are, but by following Your example. Help me meditate on Your love, so that I can have the strength to accept all the people around me. Amen.
